Himari...
The talk just now...

Himari-chan!
Wait!

you know her?
...That girl just now,
We were in the middle of talk, right!
Ah, no...
I've been wanting to apologize
suddenly running away like that
I'm sorry,

I'm really sorry!
For trying to make you make up with Yuyu-chan,
and doing things on my own
I
won't do anything unnecessary anymore
Eh...?
Ano,
Himari-cha...
Let's go home

With this, did we make up...?

But,
Ok
Aw!
some-
how...
Have
you finally
reached the
solution?
tte,
Shioka-
kun!?

Konno and Kuriyama
ドキン…
Are,
...Ah,
yeah
bow
did Shioka-kun ever know Himari-chan's name...?
Some-how,
it feels weird...
I didn't say anything!
I absolutely don't want to listen it though
Eh, is there something again?

Yuyu-chan
Himari-chan, ohayou~ ♡
ぱっ☆
...I'm going first, okay
...Did you make up with Nana-chan?
Yeah...

Himari-chan isn't cheerful
If there's something, just say it to Yuyu, okay
Yuyu got help from Himari-chan after all, Yuyu'll help you now ♡
I understand now that

Himari-chan didn't hate me, but
Today is so hot, right
...Nee, Himari-chan
Ng?
When you were in elementary school, how were you like?
Etto.....
Nothing special, I was normal!
There are
Ah, did you see that yesterday?

we don't do any talk about it, not even one
uncamfartable feelings that have been in my heart
Yester-day's TV programs,
about our family,
talking about things that we like
But,
things that are important,
Even though we're together,

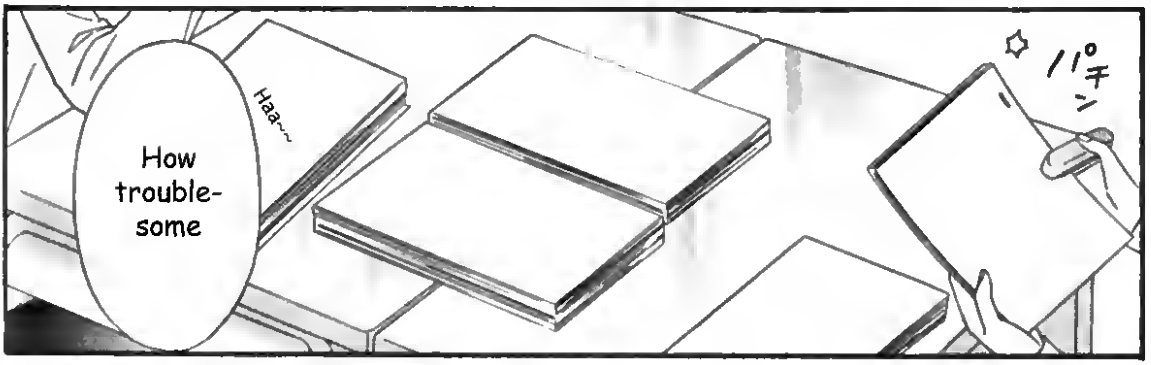
That's right
You two today's day duty



How trouble-some
Haa~~

These, how long it's needed to finish these?

Stop making that face
!?
Your gloominess is contagious
!!
Saying anything or not, you're so troublesome, Kuriyama
……

So,
what is it?
.....
I made up with Himari-chan, but...
We didn't tell each other our own feelings
I feel that
Himari-chan is hiding something...

Another...
Then, why don't you think onother woy?
She won't giving answer
Why don't you ask?
?
hod chonged since thot time
Himori-chon's condition
If I do this,
Himari-chan might hate me for real
Since she met that girl...
.....
Have something in mind?

But

よあっ
Shioka-kun, I leave the rest to you!

I'm going to ask her about Himari-chan...!
There is a girl who was in the same elementary school with Himari-chan!
If I don't do at least something like this
I won't change

If I'm not wrong,
if it's school with sailor uniform around here,
it's must be Shuuei Middle...!
Here it is...!

Yuyu-chan!
Hima-chan
1 - 1
What happened?
Ano ne :
...Yuyu confused whether Yuyu should say it or not, but,
Yuyu thinks it's better
if Hima-chan knew it...
Eh...?

Nana-chan...

But...
It's also the first time I wait someone in onother school...
I'm really being looked at, it's so hard to be here...!
Come to think of it,
I don't know her name... And she might already go home too

Ano!
There she is...!
Ah
Eh
Yesterday's...
Can I ask you something about Himari-chan.....!?
I'm Himari-chan's friend of the same middle school with her
ドキン
ドキン

Ah,
It's not like I was bad mouthing Himari, okay?
It was rather my general opinion
Don't tell me, about yesterday?
Asking me...
About the entrance exam too, to be frank, I thought it would be the same if she heard it from another person
"Heoring about friend's important things from onother person,
it's too sod."
We was often together, but,
I have my other friends too
"I wos hoping you're o loner too"

"I'll help Nana-chan with anything that I can do!"
Aah,
I see
It's just a small matter got exaggerated
Haha
"If it's something that Nana-chan wants to tell me, whatever it is, I'll hear."

Himari-chan is...
Nana-chan!
Eh...
Come!
たっ たっ
Wait...
Ano...
たっ

Asking things to her on your own, Nana-chan is so cruel...!
Why did you go to meet Luka-chan...!?
...Gomen
Because I thought if I didn't do this,
I would never know about Himari-chan...

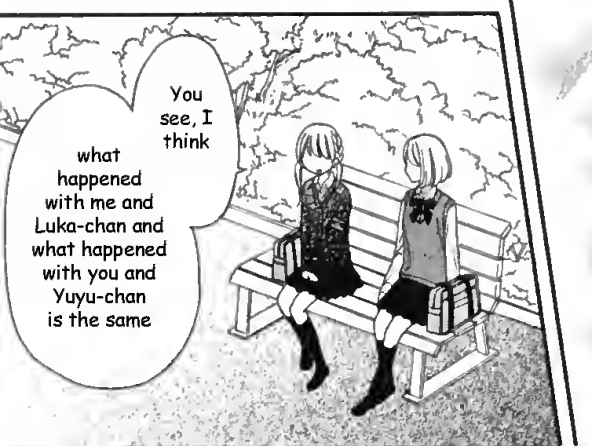
...But!
Hi-
Himari-chan is cruel too...!
!?
Your apologizing was like to run away,
din't try to hear my story,
even though you said that you'll listen anything!
Things that important to Himari-chan too,
you didn't say anything about it at all...!
I...

It can't be helped!
I don't know anymore about friendship distance after all...!
I don't want to say anything weird and be hated again,
I don't want to be thought as "unneeded" again!
"Again" what!?
I'm
not Luka-chan, you know!

I won't hate you so easily like that!
Himari-chan,
Yo... You're taking me as a fool...!
I- I'm not
Nana-chan too,
you don't know how much I want to get along better with you,
you don't know it at all!
I do don't know!

You don't know at all... how much I want to be your best friend!
...We
were having a fight...
right?
It's the first time I heard it...
It's the first time
I said it, after all

Something like this is our first time after all



We are so bad at having fight...

I don't know

But, Nana-chan
We're fine now
so now I understond thot it's just our woy of thingking is different
Just now, I've heard Luka-chan's feelings,
Please... think about it
You didn't hear Yuyu-chan's real feelings yet, right?
If Nana-chan doesn't face Yuyu-chan properly, nothing is going to change
for just once more again
I know I overstep my boundary, but,

Yesterday and today,
same- haw...
It's sa em- barassing, right
!!
We're saying the same thing!!

1 - 3
Ohayo~
Bye
See you later at the lunch break, okay

.....Why?
Gyut
Yuyu-chan, it's the time for moving class~
Haa
Go ahead~

"Nana-chan is Yuyu's number one best friend"
"Me too"
燃えろ

That's...
What are you doing, Yuyu-chan
Nana-chan's right...?

Will you tell it,
to Nana-chan?
I won't!
Why are you doing something like this...
It's Hima-chan's fault
